# For Your Safety

- Do not install the C360 in a damp or wet area.
- Do not attempt to disassemble the body of the C360, doing so will immediately void the factory warranty.
- Do not submerge C360 in water.
- Do not cover the side or back air vents.
- Only use a soft, dry towel to gently clean the exterior of the light.
- Make sure to adhere to local building codes when designing and installing C360 light systems.
- Do not install any luminaire assembly closer than 6 inches from any curtain, or similar combustible material.
