FCC Statement

DECLARATION OF CONFORMITY WITH FCC RULES FOR ELECTROMAGNETIC COMPATIBILITY

We, Belkin International, Inc., of 12045 E. Waterfront Drive, Playa Vista, CA 90094, Tel: +1 (310) 751 5100, declare under our sole responsibility that the products F7U045 and F7U046, to which this declaration relates, comply with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Federal Communications Commission Interference Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the distance between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

IMPORTANT NOTE:

Innovation, Science, and Economic Development Canada Statement

This device complies with ICES-003 of the Industry Canada Rules. Operation is subject to the following two conditions:

- 1) This device may not cause interference, and
- 2) This device must accept any interference, including interference that may cause undesired operation of the device.

Ce dispositif est conforme à la norme CNR - standards d'Industrie Canada applicable aux appareils radio exempts de licence. Son fonctionnement est sujet aux deux conditions suivantes : (1) le dispositif ne doit pas produire de brouillage préjudiciable, et (2) ce dispositif doit accepter tout brouillage reçu, y compris un brouillage susceptible de provoquer un fonctionnement indésirable.

This digital apparatus complies with CAN ICES-3(B)/NMB-3(B).

INSTRUCTIONS PERTAINING TO RISK OF FIRE OR INJURY TO PERSONS

IMPORTANT SAFETY INSTRUCTIONS

SAVE THESE INSTRUCTIONS

WARNING: When using this product, basic precautions should always be followed, including the following:

Please read the operating instructions including charging instructions and information on the minimum and maximum operating temperatures supplied with this power bank.

To reduce the risk of injury, close supervision is necessary when the product is used near or by children.

For indoor and dry location use only. Do not expose power bank to rain or snow. Keep the power bank away from heat sources, direct sunlight, combustible gas, humidity, water, or other liquids.

Use of a power bank in a manner not recommended in these instructions may result in a risk of fire or injury to persons.

The power bank will generate heat when charging. Always charge in a well-ventilated area. Do not charge under pillows, blankets, inside purse or on flammable surfaces.

Do not use the power bank if visible defects are observed or if it has been wet or damaged or modified to prevent against electric shock, explosion, and/or injury. Contact the dealer or authorized agent or Belkin for assistance.

Do not disassemble, open, microwave, incinerate, paint, insert foreign objects into the power bank.

Do not use the power bank in excess of its output rating. Overload outputs above rating may result in a risk of fire or injury to persons.

Do not expose the power bank to fire or excessive temperature. Exposure to fire or temperature above 100°C may cause explosion.

Do not subject the power bank to mechanical shock such as crushing, bending, puncturing, or shredding. Avoid dropping or placing heavy objects on the power bank.

Do not short-circuit the power bank or store it in a receptacle where it may be short-circuited by other metallic or conductive objects.

Simplified EU Declaration of Conformity

We, Belkin International, Inc., declare under our sole responsibility that the products F7U045 and F7U046, to which this declaration relates, are in conformity with EMC Directive 2014/30/EU, Low Voltage Directive 2014/35/EU, and RoHS Directive 2011/65/EU (Recast).

We further declare that the product meets the essential requirement of the above Directives. The limits contained in these articles are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Do not attempt to service or disassemble. If you experience problems with the power bank, discontinue use and contact Belkin for assistance. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

DISPOSAL INFORMATION FOR USER

For information on product disposal, please refer to <http://www.belkin.com/uk/weee-regulations/>

Pursuant to and in accordance with Article 14 of the Directive 2012/19/EU of the European Parliament on waste in electrical and electronic equipment (WEEE).

The barred symbol of the rubbish bin shown on the equipment indicates that, at the end of its useful life, the product must be collected separately from other waste.

Therefore, any product that has reached the end of its useful life must be given to waste disposal centers specializing in separate collection of waste electrical and electronic equipment or given back to the dealer when purchasing a new WEEE, pursuant to and in accordance with Article 14 as implemented in the country.

The adequate separate collection for the subsequent start-up of the equipment sent to be recycled, treated and disposed of in an environmentally compatible way contributes to preventing possible negative effects on the environment and health and optimizes the recycling and reuse of components making up the electronic equipment.

Abusive disposal of the product by the user involves application of the administrative sanctions according to the laws in force.

2-Year Limited Warranty. Made in China.

Product Type: BOOST↑CHARGE™ Power Bank Lightning 5K

Model No: F7U045

Input: 5V --- 2.4A; Output: 5V --- 2.4A

Battery Designation: 11NP6/60/110

Product Type: BOOST↑CHARGE™ Power Bank Lightning 10K

Model No: F7U046

Input: 5V --- 2.4A; Output 1: 5V --- 1.0A, Output 2: 5V --- 2.4A

Battery Designation: 11NP6/60/110-2

Operating Conditions: 0° C to 40° C

Storage and Transport Conditions: -10° C to 45° C

Informations

Déclaration FCC

DECLARATION DE CONFORMITÉ À LA RÉGLEMENTATION FCC EN MATIÈRE DE COMPATIBILITÉ ÉLECTROMAGNÉTIQUE

Nous, Belkin International, Inc., sis au 12045 E. Waterfront Drive, Playa Vista, CA 90094, États-Unis, tél. : +1 (310)751 5100, déclarons sous notre seule responsabilité que les produits F7U045 et F7U046, auxquels se réfère la présente déclaration, sont conformes aux normes énoncées à l'alinéa 15 de la réglementation de la FCC. Son fonctionnement est sujet aux deux conditions suivantes : (1) cet appareil ne peut pas provoquer d'interférences nuisibles, et (2) cet appareil doit accepter toute interférence reçue, y compris les interférences pouvant entraîner un fonctionnement non désiré.

Déclaration de la Federal Communications Commission à propos des interférences

Cet appareil a été testé et satisfait aux limites établies pour les appareils numériques de classe B, conformément à l'alinéa 15 de la réglementation FCC. Ces limites ont été conçues de manière à assurer une protection raisonnable contre les interférences nuisibles au sein d'une installation domestique.

L'appareil génère, utilise et peut irradier une énergie de fréquence radio. S'il n'est pas installé et utilisé conformément aux instructions, il peut causer des interférences nuisibles aux communications radio. Toutefois, il n'est nullement garanti que des interférences ne se produiront pas dans certaines installations. Si cet équipement cause des interférences nuisibles sur le plan de la réception radio ou de la télévision, pouvant être déterminées en mettant l'appareil sous et hors tension, l'utilisateur est invité à tester et à corriger l'interférence en prenant un des mesures suivantes :

- Réorienter ou déplacer l'antenne de réception.
- Augmenter la distance entre l'appareil et le récepteur.
- Connecter l'appareil à une prise située sur un circuit différent de celui sur lequel le récepteur est connecté.
- Consulter le revendeur ou un technicien radio / TV pour obtenir de l'aide.

Attention : Toute modification, de quelque nature que ce soit, non acceptée expressément par l'autorité en charge du respect de sa conformité aux normes en vigueur risquerait de vous priver du droit d'utiliser l'appareil.

REMARQUE IMPORTANTE:

Déclaration de l'Innovation, science et développement économique du Canada

Cet appareil est conforme à la norme ICES-003 de la réglementation d'Industrie Canada. Son fonctionnement est sujet aux deux conditions suivantes :

- 1) cet appareil ne peut pas provoquer d'interférence nuisible ; et
- 2) cet appareil doit accepter toute interférence reçue, y compris des interférences pouvant entraîner un fonctionnement non désiré.

Cet appareil numérique est conforme à la norme CAN ICES-3 (B) / NMB-003 (B).

INSTRUCTIONS RELATIVES AU RISQUE D'INCENDIE OU DE BLESSURE

Getting to know the Belkin BOOST CHARGE™ Power Banks 5K/10K

The Belkin BOOST ↑ CHARGE™ Power Banks 5K/10K are portable battery packs with different capacity for all users that may need to charge their electronic devices. These battery packs feature an over-charging protection for safety as well as an auto-sleep mode to prevent unnecessary power loss and improve the time it can hold its charge. KEY FEATURES AND BENEFITS

LED lights indicate charge level

12W Lightning port to quickly charge power bank

1 x 12W USB to charge an iPhone

1 x 5W USB to charge a 2nd device

Use the same cable to recharge your iPhone and the power bank†

†Cable not included

Product Features

5,000 / 10,000 mAh capacity

Lithium Polymer battery

MFi-certified

Belkin F7U045 - One USB-A port at 2.4 A

Belkin F7U046 - Two USB-A ports:

One port at 1.0 A

One port at 2.4 A

Lightning port (for charging)

2-year warranty

Four light indicators:

100 percent - All lights lit

75 percent - Three lights lit

50 percent - Two lights lit

25 percent - One light lit
